# DEDICATION

They have understood our problems, assisted us with patience of steel, listened to our complaints with an admirable smile, inspired us with confidence, encouraged us when we were disheartened, and enhanced our chance for success.

Their determined effort to make us satisfied and happy shall always be remembered as one of our most precious high school memories. Words can't express our appreciation for their various contributions; but to show how much we love, honor, and respect them, the 1959 Annual Staff dedicates the '59 Teneo Memoria to the parents of the senior class.

# FOREWORD

As the school year passes, we pause to catch a final glimpse of everything we have done. Our classmates, our friends, our teachers have all played a part in this, our senior year. We have attempted to preserve the memories through word and picture. You, the students of C.H.S., made it; you lived it. Here it is - the 1959 Teneo Memoria.

Please remain in silence or utter a few words of prayer as you look at the picture of a man who, from life to death, fulfilled the needs of schools in Carroll County. His name was Mr. Harry Hatton who dedicated his life to one great cause.
